Dear Brother Yasser Al-Farah,

As a member of Cupe 1505, we would like to recognize you and the Yemini Cultural Society for your dedication to the community.

Due to the wide spread of COVID-19 that started in April 2020 there was a big shortage in medical supplies such as surgical masks, N95 masks and disinfectant. Unfortunately, merchants and suppliers raised the prices significantly.

You took an initiative to distribute masks and sterilizers for the elderly and those most in need with no cost. You personally delivered them to various organizations in Fort McMurray. This initiative gained much success and support from the community

Cupe - Fairness. Equality. Dignity. We are 700,000 public service workers. We will back each other up. We will speak with one voice. We are CUPE.

You are a great example of a CUPE member. Your contributions and donations to non-profits went a long way in the battle against Covid-19. We are confident with CUPE members like yourself we will all get through this tough time as a community and come out stronger than ever.

Great job Brother!

In Solidarity,

Craig Milley, President – CUPE 1505
